TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

Villefranche: The Roadstead. Villefranche is a town of about 5000 inhabitants in the French Riviera. The exquisitely soft climate of the town has been long familiar to the great figures of history. Francis the First (in 1538) held an interview here with Charles the Fifth. The King of the Belgians has a villa here, and an avenue has been named after him.
